

People and Resources Committee, 8 June 2023

Matters Arising

Executive summary and recommendations

Attached is an actions list as agreed at the last public meeting of the People and Resources Committee.

9 March 2023		
1	<p>Item 10. Finance Report – January 2023 (report ref: PRC 10/23)</p> <p>10.4 The Executive assured the Committee that with the increase in international applications being higher than previously forecast, the additional Partner Assessor contracts had been extended by a further three months to ensure the HCPC had the ability to respond to that demand. In response to a question, the Executive updated the Committee that the majority of international applications were received from outside of the European Economic Area (EEA). The Head of Finance agreed to share the EEA and non-EEA application breakdown with the Committee outside of the meeting.</p>	<p>Executive:</p> <p>A breakdown of international applications across previous years was shared with the Chair of PRC, which provided a split by application origin.</p> <p>In summary, previous volumes of international applications were higher than the current trend for those within the EEA and this has significantly reduced in proportion to the number of applications received outside the EEA post Brexit.</p> <p>The Head of Finance will provide the Committee with a verbal update at this meeting relating to International Applications</p>
2	<p>Item 12. Partner Performance Management Presentation (report ref: PRC 12/23)</p> <p>12.2 In response to a question the Executive noted that high court referrals were not frequent but could take a long time to conclude. In preparation for any case that was referred to the high court, an internal review would be undertaken and any learning, if identified, would be implemented. The Head of FtP agreed to</p>	<p>Executive:</p> <p>The appeal is at an early stage, and we do not yet have a timetable for when the appeal may conclude.</p>

	provide the Committee with an update to status of the current high court appeal.
