

**Health Professions Council  
Continuing Professional Development PLG 6<sup>th</sup> February 2006**

**Your guide to CPD**

**Executive Summary and Recommendations**

**Introduction**

This document is the second draft of the short guide to CPD that the PLG has agreed to put together for Council. This document is intended to take on board registrants' concerns about being burdened with information, and is intended as a quick guide to the new responsibility to do CPD, which could possibly be sent to all registrants next financial year.

**Decision**

The PLG is asked to discuss the latest draft of the document, particularly in light of any relevant discussion which takes place on February 3<sup>rd</sup> at the meeting with professional bodies, and suggest any changes or amendments that are required.

**Background information**

This is the second draft of this document, which was considered at the last meeting of the PLG on 15<sup>th</sup> December. This document has also been sent to professional bodies, and is expected to be the topic of some discussion at the meeting on February 3<sup>rd</sup>.
